## WORK EXPERIENCE

**Creative Core Group – Miami, FL**                                      November 2020 to Present
**Front-End Engineer / Web Developer**
- Developing UI components that are both responsive and functional throughout various React applications matching design wireframes
- Collaborating in an agile fast-paced startup environment with daily standups, weekly sprints, and code reviews
- Co-lead the transition to a new JAMstack development architecture utilizing AWS, React, Gatsby, NextJs, Sanity and WordPress. Which has been instrumental in improving site performance, SEO, scalability, and 50% reduction in development time
- Establishing a headless CMS with WordPress, Sanity and GraphQL enhancing site editing and blog post experience for the content team while maintaining complex layout consistency

**Carnival Cruise Line – Miami, FL**                                      April 2019 to  Present
**Front-End Developer**
- Translate and deploy various design team's wireframes into responsive, interactive layouts, using HTML/CSS and JavaScript, receiving a daily average engagement of 200k+ clicks on carnival.com
- Collaborate with backend developers on different projects for API specification that are used in the front-end
- Develop AB testing for new features across carnival.com, including booking engine
- Developed entire remarketing campaign on carnival.com which has yielded over $10 million dollars in revenue
- Collaborate with product analysts and designers on UI/UX and overall solutions
- Code review peer's code before deploying new features

**Trilogy Education Services (University of Miami) – Miami, FL**          October 2018 to  October 2019
**Web Development Substitute Teaching Assistant**
- Aid to the primary  instructor of a part-time full stack development bootcamp at the University Of Miami
- Provide verbal assistance and live demos in order to help students understand concepts for popular languages, frameworks, and databases such as ReactJs, NodeJs, ExpressJs, MongoDB and MySQL
- Grade and provided feedback for coding assignments completed by students

**FIU Herbert Wertheim College Of Medicine – Miami, FL**                  July 2017 to  April 2019
**Analyst II**
